Big Event Next Weekend

Ausable River Canoe Race to Bring Many Attractions to Entire Valley

Wayne Clark Photo

Members of the Ausable River Canoe Race Committee are shown here coordinating plans to make this year's area event the best ever. Scheduling activities and finalizing plans for the Oct. 24 race weekend are; (seated left to right) Eldon Feddersen, Mio area chairman; Harry Curley, Promotion and Oscoda Area Chairman; Eric Post, General Chairman, Grayling; (standing left to right) Charles Curley, Pres. Oscoda-Ausable Chamber of Commerce; Ralph Graham, Vice Pres. Mio Chamber of Commerce; Orrin Sherwood, Pres. Mio Chamber of Commerce; Jane Ann Palchak, Sec'y. Grayling Canoe Race Committee; Earl Longworth, Sec'y-Mgr. Crawford County Chamber of Commerce.

Next weekend, October 2nd, 3rd and 4th will bring the eighteenth running of the Ausable River Valley Canoe Race. Racing teams will have until 9 a. m., Friday, October 2nd to beat the deadline to enter in order that they may run in the pole position race at Lake Margrethe.

In the meantime, the three towns on the river participating in the race and allied events are hard at

Canoe Group Elects Officers

A meeting was held Wednesday night, September 16, at the Crawford County Chamber of Commerce office by the Canoe Livery Association of Michigan. Election of officers was held and the following officers were elected:

Bruce Smith, President; "Sandy" Thompson, Vice President; John Trudegen, Treasurer; Earl Longworth, Secretary. The Department of Conservation was represented by Max Hunt and John Byelich.

Discussions were held relative to a code of ethics, campsites to be operated by the association, litter problems, and promotion for greater use of the canoeing rivers of Michigan. Immediate steps are to be taken by Grayling representatives to the association to secure campsites downstream to be owned by the association and offering at the campsites water, sanitary facilities, wood and well maintained grounds.

Another meeting by this association is to be held at the Chamber of Commerce Office at 7:00 p. m., October 14th.

Plan Christmas Fair At Michelson Memorial

The news is out. Now we can tell about the Christmas Fair which will be held December 4 and 5 at the Michelson Memorial Church. The fair will be put on by the Federation of Women's Clubs and the Woman's Society of the church.

We will take a trip, "Christmas Around the World," and see Christmas trees of the different countries decorated according to their traditions. There will be folk dances from the different countries. Booths will have baked goods, home-made fruit cakes, Christmas cookies which you can tuck away in your freezer until Christmas comes along, also jams, marmalades and pickles, handwork booths with lovely Christmas gifts, fish ponds for the young group, and door prizes each evening. Mrs. Milnes' high school place club will sing traditional songs around the decorated trees during the evening.

To mark your calendar for those special days. Come one, come all to the Christmas Fair. Remember the date is December 4th and 5th. General Chairman Mrs. John Lude-man and her well-staffed group will handle the event.

To Use Range For Bombing Strafing

The Artillery Range at Camp Grayling located north of County Road 612 and south of the North Branch of the Ausable River will be used by the Air National Guard for air-to-ground bombing and strafing on Saturday and Sunday, September 26 and 27. The range therefore will be closed and

Motor Coach Group to Meet This Weekend

Members of the Michigan Chapter of the Family Motor Coach Association will hold a fall convocation at the Hartwick Pines State Park this coming weekend. Members are expected to attend from every corner of the state.

The meeting is a two day affair covering both Saturday and Sunday. Saturday from 9:00 a. m. till 11:00 a. m. is set aside for registration. A welcome and roll call is on the schedule then. A lunch hour will be held at noon followed by a guided tour of the Pines at 1 p. m. From 2 to 3, all motor coaches with even registry numbers tour while the odd numbered stay in camp. From 3 to 4 the order will be reversed.

The Chamber with the cooperation of City Manager Harold S. Cliff of Grayling is reserving a street for parking in Grayling of the large coaches where they will be on display for all who may care to inspect them. Games will be carried on at the Pines all afternoon.

A Saturday night potluck is set up for 5:30 to 7 p. m. in the evening with a business meeting to follow with six movies to be shown later.

Sunday morning, non-denominational services will be held with Rev. John W. Smith of Grayling Michelson Memorial Church presiding at the Pines. Arrangements have also been made for other members to attend Mass at Grayling St. Mary's Church.

At 10 a. m., a big pancake and sausage breakfast will be held for all attending the rally. Members will then leave for their respective homes during the remainder of Sunday.

Red Cross Drive To Begin Oct. 5th

The Crawford County Red Cross Chapter will begin a campaign for funds and members on October 5th. It is hoped the drive will be completed in two weeks.

The campaign is the Chapters annual appeal for the funds needed to carry on local, national and international Red Cross health and emergency welfare programs.

"The Red Cross belongs to all people," said Mrs. Therese Goss, volunteer chairman of the fund drive. "It serves all people and depends entirely upon their voluntary support for its funds."

Our goal this year is \$23,000. This averages out to about \$2.50 per family.

The campaign slogan is Always There... With Your Help.

About 85.23 per cent of the money the chapter collects will be used to provide Red Cross services in Crawford County. The remainder will go to the national organization as the Chapter's allotted share of the total expenditures of the American National Red Cross.

It is these funds she explained that help Red Cross to be "always there" to help.

Aid our servicemen and their dependents; provide emergency care for disaster victims; carry on the growing blood collection and distribution program—and many other programs.

Kiwanis Club Notes

By Wes LaGrow

Plans for a pancake and sausage breakfast to be served by the club prior to the start of the Ausable River Valley Canoe Race were discussed at the Monday night meeting at the Chief Shoppensons.

The program was a film in color and sound taken of last year's canoe race by the Consumers Power Company. The program was obtained for the club by Bruce Carlson and Donald Jansen.

Next Monday's program will feature Cheryl Smoak who will tell the club of her summer spent in Spain as an exchange student in the Youth for Understanding program. She will also show slides of many of the sights of Spain.

City Police Issue Four Traffic Tickets

Four persons were given traffic summons by Grayling City Police in the past week. On Sept. 16 Christopher Kroll 20, was charged with reckless driving and being involved in an accident. Michael Lee Gorman, 17, was charged with speeding on September 18th. Michael C. Crouch, 17, was also charged with speeding on the 18th.

Wayne Reeves, 29, was charged with excessive noise with motor vehicle on Sept. 19th. All are from Grayling and will appear before Justice Olin Williamson in the near future.

Richard J. Warren of Lake City, 26, was given a summons as a minor in possession of alcoholic liquor, in this case, beer, on Sept.

Loop Begins Battle

East Jordan Red Devils Here Friday For 8:00 p. m. Opener

The battles in the Northern Class C Conference football war get underway this Friday after all elevens had shakedown games last week. The East Jordan Red Devils, pre-season favorites in the north league, will open the home season for the Grayling Vikings. Kickoff time is set for 8 p. m. Friday night under the lights at the Grayling Memorial Recreation Area.

In other conference action, the Gaylord Blue Devils will be at Pellston. Charlevoix at Harbor Springs and the Manclona Ironmen will face the Boyne City Ramblers there. Grayling was only one of three conference teams that won their opener last Friday. Gaylord stopped the Cheboygan Chiefs 7 to 6 and East Jordan slipped past the Kalkaska Blue Blazers 6 to 0. Benzie Central edged Manclona 7 to 6. Rogers City pounded Charlevoix 33 to 0. Petoskey downed Boyne City 20 to 6 and Cheboygan Catholic defeated the Pellston Hornets 32 to 7.

Last Friday at Mio, the Vikings took the kickoff to open the game and returned it to their 30 yard line. Ron Lovell, Grayling fullback drove for 8 yards on the first play but Grayling was called for offside and were moved back to their 25. This made the situation first down and 15 yards to go. On the next play, the Vikings fumbled and the Thunderbolts took over on the Grayling 20. On the play, a Viking was detected in an illegal tackle, grabbing the face mask and this set them back on their five. This was Mio's only serious threat of the afternoon. Coach Fraser Dean threw his Vikings into their goal defense and the Thunderbolts never gained a yard.

In the second quarter, Grayling struck through the air as quarterback Richard Smith passed to end Dave Nethers, a sophomore transfer from Ohio. Nethers gathered the ball in and galloped 40 yards into the end zone unmolested. Smith passed to John Sorenson for the extra point and Grayling led 7-0.

In the third quarter, the Viking aerial threat struck again on another Smith to Nethers pass. This one, covered 30 yards and upped the score to 13-0. Nethers then

Local Forester Is Transferred To Gaylord

Among the transfers of three foresters in northern lower Michigan, to be effective by November 1, announced by C. Troy Yoder, Region II Manager, Department of Conservation was Ralph E. King from the Ausable State Forest, Grayling, to District Forester for the Gaylord District.

King, 45, has supervised the Ausable State Forest since 1955. He entered the employment of the Department of Conservation in 1951 and previously had held posts as assistant forester at Iron Mountain and Newberry before coming to Grayling. He is a graduate of the Onaway High School and the University of Michigan, where he received a forestry degree in 1949.

He spent nearly four years in the Air Force in the European theater during World War II. His family includes his wife, Ruth, and four sons.

kicked the extra point and it was Grayling 14, Mio 0.

Later in the game, Lovell tackled the Mio quarterback in his own end zone to add a two point safety with the game ending 16 to 0.

Coach Dean said the team suffered no serious injuries and hoped the squad would be at full strength Friday night. Bill Tinker is expected to be ready as is Terry Smith who will work at a guard slot. Dean said that he felt Nethers, Lovell and Smith were outstanding for the Vikings and added that the whole team played a very fine game on defense. Both defense against running and passing was commendable but Dean added that the Vikings' offense still needed a lot of work and polishing.

Plan Open House Sunday, Sept. 27 At LaVictoire

Camp LaVictoire has been the scene of a new concept in action. This concept is aimed at rehabilitating teen-age boys. Camp LaVictoire is now a facility of the Michigan State Department of Social Welfare. The camp is an agency of the Boys Training School.

The program has been in existence since May, 1963, and already the results of its impact on the lives of boys has been evident. Several boys have returned to camp to visit the people and the place which helped to give them a new direction in life. Several letters have been received which have expressed gratitude. The camp offers a unique and meaningful approach to the rehabilitation of wayward youth.

The program presently consists of two camps, of which LaVictoire is one. Mr. J. Richard Clausen, who is Director of Camps and responsible for the Conservation Youth Programs of the Social Welfare Department, has said: "We want the boys to learn how to live, work, and play together."

The boys are from 15 to 18 years of age, and have been committed to the Boys Training School through the Probate Court because of delinquent behavior.

The key to this camp program is its purpose. It is necessary that we provide the boys with a series of meaningful experiences with the (Continued on Page Two)

Distributor Plans Open House Next Monday

Dean and Ruth Sorenson of Houghton Lake, owners of the Corn 'N' Cone Distributors located in Grayling are planning an open house next Monday, Sept. 28th from 10 a. m. to 4 p. m. at their warehouse at 402 McClellan street.

Representatives of the Callahan Paper Supply Company of Bay City will be on hand and the owners will introduce their new line of paper and cleaning supplies.

There will be free coffee and doughnuts and door prizes.

The company sells wholesale only to restaurants, bars and resort owners. The new owners purchased the business from Jim Ott in December of last year and introduced potato chips, popcorn, caramel corn, candy and other products.

The Sorensons have two daughters, Karen and Gail who attend school in Houghton Lake. Mr. Sorenson worked as a carpenter previously. They have lived in Houghton Lake for the past 10 years. They are originally from Pennsylvania and lived in Royal Oak for seven years before coming to Houghton Lake.

Country Club Tourney Draws 44 Entrants

The string tournament sponsored Sunday by the Grayling Country Club Auxiliary drew forty-four persons. Low score of 82 was turned in by the team of Kathy Stewart and Hal Walker. The tournament high score of 125 was turned in by Isabelle Allison and Don Jansen, and second high of 123 by Gloria Nielson and Dr. Leonard Allison. Newt Allison and Liz Vajda had high puts with 39.

At the dinner following, there were forty-two served. Those serving the dinner were the Earl Longworths, the Vernon Gardiniers and the Don Jansens.

P. T. A. TO MEET IN NEW SCHOOL

The September PTA meeting is to convene in the new elementary activities room on the 29th at 8:00 p. m.

The meeting is entitled "Meet Your P. T. A." A slide tour of Asia will be shown by Elmer Herdon.

Plan Annual Township Meet Next Tuesday

Bernard J. Fowler, Supervisor of Grayling Township, Crawford Co., and a member of the Board of Directors of Michigan Townships Association announced today that final plans have been completed for the Annual Meeting of All Township Officials from the 12 Counties of the Tenth Congressional District of Michigan, to be held at the American Legion Hall in Grayling, on Tuesday, September 29, 1964, starting at 10:00 a. m.

The meeting, designed to bring together those who make the laws and those who must carry them out will feature a "FACE TO FACE" discussion with the Congressmen, State Senators, Representatives, State Officers, County Officers and Township Officials.

Among those invited to attend, besides several hundred Township Officials, are Congressman Elford A. Cederberg and Congressman Victor A. Knox; State Senators William G. Millikin, Thomas F. Schweigert and Harold B. Hughes; State Representatives Arnold Engstrom, James P. Mielock, Don Gordon, Clark F. Most and Ross O. Stevens. County Officers invited include Chairman of the Crawford County Board of Supervisors William T. Miller, County Clerk Leo E. Lovely, Prosecutor Ward F. Ellison, Probate Judge Beulah Moore, County Treasurer Claribel Goss, Register of Deeds Lawrence Hunter and Sheriff Arthur F. Clough all of Crawford County. State Director of Elections Robert M. Montgomery will also be present to explain any questions on voting.

In making the announcement, Fowler said, "although the meeting is called primarily for Township Officials of member Townships of the Association, ALL TOWNSHIP OFFICIALS and anyone interested in local government are invited to attend."

County Auto Dealers Tell Plans For Fifth Annual New Car Show

Saturday afternoon, October 3rd following the start of the Ausable River Valley Canoe Race has been selected by the Crawford County Auto Dealers Association for their Fifth Annual showing of the new 1965 models.

As in the past, the cars will be displayed on Michigan avenue between Peninsular and Cedar streets.

Well over twenty models of several different make cars and trucks will be on display. Dealers will be on hand to answer any and all questions concerning their cars.

On display will be cars of the luxury line, regulars, compacts, sports cars and a wide assortment of trucks for every use. It was understood that two or three models of a plant-sized truck would be displayed.

Members of the Association which is a division of the Crawford County Chamber of Commerce, have their respective fingers crossed hoping for good weather free from rain.

Free prizes will be awarded also. There is nothing to buy to be eligible for them. All that is necessary to do is write your name on a card which will be furnished by any one of the dealers participating.

This year's program will get underway at 11:00 a. m. after all of the canoes have started the race.

A parade featuring the new models, several antique cars and several high school bands will march from the Legion Hall north on Cedar street to Michigan avenue.

There the line of march will swing west on Michigan avenue then north on Norway street to Ogemaw back east to Cedar, south on Cedar to Michigan and east on Michigan to the Court House.

The parade will terminate there but the assembled high school bands will then present a concert. A luncheon will follow at the Chief Shoppensons Motor Hotel at which time the Auto Show Queen will be crowned. The auto show will open at 2 p. m. and continue until 6 p. m.

Annual Chamber Dinner Draws 100

Wayne Clark Photo

Retiring Chamber of Commerce President John H. Alf, standing right, offers congratulations to the new President Carroll Wert, standing left. Seated, from right to left, are: William A. Wickham, Legislative Counsel for the Michigan State Chamber of Commerce, who was the main speaker; Earl Longworth, new Chamber manager and Mrs. Longworth.

The annual dinner of the Crawford County Chamber of Commerce was held last Thursday evening at the Chief Shoppensons Motor Hotel with about 100 people in attendance.

Rev. John W. Smith of the Michelson Memorial Church gave the benediction preceding a fine chicken dinner. Following the meal, the program got underway with Board of Director member Melvin Nielson presenting the new president, Carroll Wert. President Wert introduced several visiting dignitaries including Gene Little of Lansing, news and information manager for the State Chamber of Commerce, Wayne Clark of Lansing, who is handling publicity for the upcoming Ausable Valley Canoe Race; representatives of the Roscommon and Houghton Lake Chambers of Commerce.

Next was the introduction of the other officers of the Chamber. Mrs. Walter Truettner, first vice president; William Tufts, second vice president; Melvin Nielson, treasurer; Mrs. Roy Roper, secretary; Board members, Charles Kroll, Marvin Miller, Gordon "Sandy" Thompson, and Mrs. James Forbes. Retiring from the Board are John Alf, Donald Jansen, Frank Bond, and Leon Rochette.

A gift of an engraved lighter was made by President Wert to retiring President Alf, who in turn presented a certificate of appreciation to Robert Hayes who recently resigned as manager. The presentation had to be made in absentia as Mr. Hayes was unable to attend the dinner due to a death in the family.

Mr. Alf also made presentations of plaques to Mrs. Jane Ann Patchak and Frank May. Mrs. Patchak earned her award by her past services to the Canoe Race Committee and for her efforts in staging all of the enlisted mens luncheons this summer at which the Chamber honored the top enlisted man with each National Guard unit training here. Mr. May, Chief of the Grayling Fire Department, was awarded a trophy plaque for his leadership of the Fire department in staging the

best and finest Fourth of July celebration that Grayling had ever had.

President Wert then introduced Earl "Chum" Longworth, the new manager of the Chamber who assumed his duties on September 1. The new manager spoke briefly on the bright prospects ahead for the area and pledged his every effort to do everything possible in his office to aid Crawford County.

The new President then presented the speaker of the evening, William A. Wickham, General and Legislative Counsel for the Michigan State Chamber of Commerce. Mr. Wickham traced the early history of the area and of some of the people who helped to make Grayling and Crawford County famous. He referred to Dr. Hazen Miller's book, "The Old Ausable" and urged all to read it.

Mr. Wickham told of his work with the State Chamber and what the State Chamber was trying to accomplish for Michigan. He bore down hard on the apathy of the citizens in not registering and not voting in elections. He quoted figures which showed that only half of those eligible were registered and only one fourth bothered to go to the polls in the recent Primary Election.

Archdeacon to Visit St. Francis' Sunday

The Venerable Charles D. Braidwood, Archdeacon of the Diocese of Michigan will make his annual visitation to St. Francis Episcopal Church on Sunday, September 27. He will have the sermon at the 11 a. m. service.

Archdeacon Braidwood is the head of the Huron District of the Diocese of Mich. and has recently been a member of the committee on nominations for the election of a new presiding bishop for the Episcopal Church in the U. S.

Grayling Sailor Serving Aboard Heavy Cruiser

USS NORTHAMPTON (FFHNC) Cuno F. Crawford, chief radarman USN, son of Mr. and Mrs. Paul H. Crawford of 805 Rose St., Grayling, is serving aboard the heavy cruiser USS Northampton, which has been awarded the Navy's coveted "E" award for battle efficiency. Northampton is homeported in Norfolk, Va.

Basis for the award is the Navy's objective to achieve and maintain the highest degree of combat readiness and battle efficiency. Attainment of this objective requires vigorous training in all of the functions in which ships can be expected to participate.

Following a year of stiff competition among seven other cruisers of the Atlantic Fleet, Northampton attained the highest score in her competitive exercises for the year ending July 1, 1964.

Additional "E" awards for departmental efficiency were also awarded to the Northampton's Operations & Weapons departments.

goal of returning a boy to the community as a potential contributing citizen.

Many of the boys have not had work experience, nor have they achieved satisfactorily in school. As a result, they have sought acceptance in the gang group or have expressed their frustrations through law violation.

Participation on Conservation Department work crews has provided an extremely important aspect of the camp program. The boys are not only learning new skills, but more importantly, they are learning wholesome work attitudes. They now see work as being a contribution.

The camp also has as one of its goals the development of social skills. Many of these boys do not feel themselves to be a part of the larger, normal society. Some boys have come from home situations which have been characterized by deprivation and rejection. Anger was substituted for love, and responsible parenting was absent.

The camp staff members emphasize responsible behavior to the boys. The program is aimed at enabling the boys to see privileges as being related to responsibility. Discipline, therefore, often takes the form of loss of privileges.

Part of the learning to live with others is made possible by the involvement of the boys in the community.

"The Community of Grayling has a vital part in the rehabilitation program of the camp," said Mr. Clausen.

Gratitude is deeply felt toward the community for the manner in which they have accepted the program. Specifically, the camp has been most appreciative of the use of Winter Sports Park. Mr. Stillwagon, Mr. Hunter and Mr. House have been most generous in opening up this facility for the boys' use during the winter months. Groups of boys have been able to assist in some of the work at the Park during the winter months.

The churches of Grayling have also contributed greatly. Recently, a program has been initiated whereby volunteers from the local churches have provided transportation for the boys so that they could attend the church of their choice.

Bear Archery Co. and the Bow Hunters' Club have been most generous in their interest in the camp.

There have been many individuals and groups to whom our gratitude is extended; Mr. Stripe, Superintendent of Schools, Dr. Cook, Dr. Dosch, and many others who have contributed in various ways.

The staff of Camp LaVictoire consists of five Boys' Supervisors, who provide round-the-clock supervision of the boys, and they are Mr. George Ashmun, Mr. Maurice Coady, Mr. Bernard Hinkle, Mr. Wayne Kuebler, and Mr. Dale Redman. The staff also includes a program coordinator, Mr. Edmund

Watkins, who is responsible for the special education program and activities program planning.

Counseling is an important aspect of the camp program. Mr. Stuart Capling and Mr. Adam Robins are the camp's two Youth Workers. They serve as counselors to the boys and are also actively involved in the activities program. They are both graduates of Michigan State University.

Mr. Dave Forrest and Mr. Leonard Gezequel are the cooks for the camp. Mrs. Troy Yoder is the camp secretary.

Mr. Harold Gazan is the camp supervisor. He is a professional social worker and holds a Master's Degree in social work from the University of Michigan.

Sunday, September 27th will be Open House day. The boys and staff of Camp LaVictoire wish to invite all of the people of the Grayling area to visit the camp. The Open House will provide boy-conducted tours of the camp, a slide film portrayal of a normal day's activities in camp, refreshments, and an opportunity to become better acquainted. The Open House is from 2:00 to 4:30 p. m.

MANY IN COUNTY CARRY TB GERM

Between 700 and 800 adults in Crawford County are harboring tuberculosis germs in their bodies, the Michigan Tuberculosis and Respiratory Disease Association reported today.

The estimate is based on recent survey results, including those from a tuberculosis skin testing program completed this summer in Livingston County. Very few of those infected are spreading the disease to others, the state Christmas Seal agency emphasized.

But of those thus infected, one in every 20 — at some future time — will break down with the disease and will become a threat to others unless "treated" promptly, J. Iva Nichols, MTRDA executive director said.

Upward Price Trend?

The prognostications of leaders in basic line of enterprise remain encouraging. The country has been experiencing — despite localized dark spots — one of the longest periods of unbroken industrial growth in its history, and this is expected to continue into the foreseeable future.

To cite a few examples, the head of a major steel company says that expenditures for new facilities will be at a record rate. The top officer of a large bank foresees an expansion of credit requirements. A spokesman for a leading building material company anticipates that construction volume will total \$87 billion for this year — a new high. And the head of the country's principal mail-order house, which also operates retail outlets on a nation-wide scale, anticipates continued expansion in retail spending.

The expansion and growth, moreover, has been accompanied by a greater degree of price stability in late years than was generally expected. As a U. S. News and World Report chart shows, family cost of living has risen by only a little more than one per cent a year since 1958.

But now, as a significant article in a recent issue of U. S. News points out, "All of a sudden there is more talk in industry about raising prices than at any time in the last six years."

The article goes on to discuss the areas where price increases may soon take effect and to show the reasons why. The industries concerned are extremely important ones — steel, motors, copper, cement and so on. All involve products that materially influence the cost of living of the typical American family.

The magazine quotes a steel executive as saying this: "In order to keep pace with the demands for higher capital expenditures, we need more money, and we can only get it through increased prices." That, if it happens, will have an obvious effect on the auto producers. And, along with this, these producers are faced with heavier wage and other payroll costs. This is also true of the tire makers, who recently agreed to higher pension and welfare payments which come on top of a contracted wage boost.

The cost of industry's vast expansion and modernization programs is placed at something like \$44 billion this year and that places stress on the price levels. When increased wages and fringe benefits are added, the pressure in favor of higher prices becomes stronger and stronger.

What will actually happen, of course, is still problematical.

The hope that reasonable price stability can be maintained remains to lessen the fear that a really big wave of price inflation is on the horizon. But the classic elements that usually lead to a more or less general upward trend in prices are present.

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVA LANCHE OF 23 YEARS AGO

SEPTEMBER 25, 1941

During the month of September young people leave for higher schools of learning and Grayling has a large number who have gone or enter some college this year. Carl Peterson, College of Medicine, Robert Skingley, engineering, U. of Michigan, Ann Arbor. Patricia Roberts, Gloria MacNeven, Mary Jane Joseph, Virginia Scott, John Henry Peterson, Michigan State College, East Lansing; Ruth Burrows, Home Ec. dept., Wayne University, Detroit; Edwin Chal-ker, Western Michigan College, Kalamazoo; Yvonne Stephan, Cleary College, Ypsilanti; Virginia and Beatrice Peterson, Arline Laage, Natalie Peterson, Kermit and Kathryn Charron, Everett Bidvia, Kathryn Peterson, Central Michigan College, Mt. Pleasant; Kathryn Kraus, Home Ec. at Stene Heights, near Adrian; Jack Red-head, Tri-State College, Angola, Ind.; Robert Welsh, Alma College; Arthur Feldhauser, Frank Jensen and Leon Johnston, Ford Trade School, Detroit.

At a very pretty ceremony Saturday, September 20, Virginia Edna McEvers, daughter of Mr. and Mrs. Wm. McEvers, became the bride of Mr. Robert Snyder, son of Mr. and Mrs. Bernard Snyder of Pennsylvania. Before a background of vari-colored autumn flowers the young couple were united in marriage by Rev. H. J. Kuhlman at 8 o'clock with the immediate relatives and friends of the families present. Calvin McEvers, brother of the bride, acted as best man. Mr. and Mrs. Jack Corners of Bay City also were members of the bridal party. Following the ceremony a wedding dinner was served to forty-three guests at the late Peter Larson home. The newlyweds left after dinner on a wedding trip to Pennsylvania, and upon their return will make their home in Bay City where the former is foreman for a telephone company.

The property belonging to Mrs. Louise and Mary Gretchen Connine, and now occupied by the Arnold Burrows market, is in process of changing ownership to the City of Grayling. This includes the vacant space between the market and the Connine grocery store building. It would be hard to find a better location for a city hall than that corner property. It is 55 feet wide on the Michigan-avenue side and in its present condition, 95 feet on Peninsula avenue. In addition it is planned to acquire 12 feet more at the rear end of the lot. The terms of the sale are \$1,800 for the land and building.

It may be interesting to know that at one time the Connine grocery store building was used for a bowling alley. That accounts for its being longer than the bell rope to a freight train. And the Burrows market building was at one time used for Grayling postoffice. Melvin Bates was the postmaster. The Grayling-West Branch foot-

ball game last Friday was just one of those affairs where both teams battled for the full four periods without either team being able to gain a decided advantage. A little break either way and the result would have been different but as it was the entire game was spent in a struggle between the twenty-yard lines, ending in scoreless tie.

Mrs. Elmer Neal and son Bruce are spending several days visiting her parents, Mr. and Mrs. Dore-mire in Midland.

Mr. and Mrs. John Madsen and son George of Newberry arrived Tuesday to spend a few days visiting relatives in Grayling. They are guests at the Peter Madsen home.

Mrs. Andrew Beck has returned home after spending a couple months visiting at the home of her daughter, Mrs. John Pence and

family in Hudson.

Mr. and Mrs. Charles Gingras and Mrs. Robert Dyer of Lansing spent the weekend at the latter's cottage at Lake Margrethe.

Miss Louise Annis, daughter of Mr. and Mrs. Homer Annis, is enrolled for the secretarial course at Heaney's Commercial College in Grand Rapids. Reports from the school indicate that already Louise has made a fine impression. She is a graduate of Grayling High school, class of 1941.

Mr. and Mrs. Elmer Christenson of Chicago spent the weekend visit-

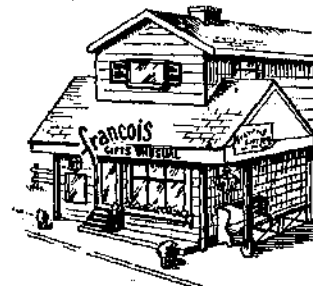

ing Wilhelm Itane, John Bruun, and Mr. and Mrs. Carl Peterson and other friends here. This is the first time Mr. Christenson has been in Grayling in twenty years and first time Mrs. Christenson has ever been in northern Michigan. Mr. C. at the time he lived here was bookkeeper at the Salling, Hanson Co. offices, and his many old friends were glad to see him again. Mrs. Vera Gilson has returned

to Sunfield, after spending the summer months at her cottage on McIntyre's Landing.

Mr. and Mrs. Frank Roth of the Grayling Restaurant left Saturday on a vacation trip to Washingtonville, N.Y., expecting to be away a week. They will visit a brother and wife of the former, whom Mr. Roth hasn't seen for seven years. Miss Naomi Fowler, nurse at Lapeer County hospital, her uncle and aunt, Mr. and Mrs. Ben Durfee (Continued on Next Page)

'65 Chevrolet Impala Sport Sedan

**Chevrolet
Impala '65**

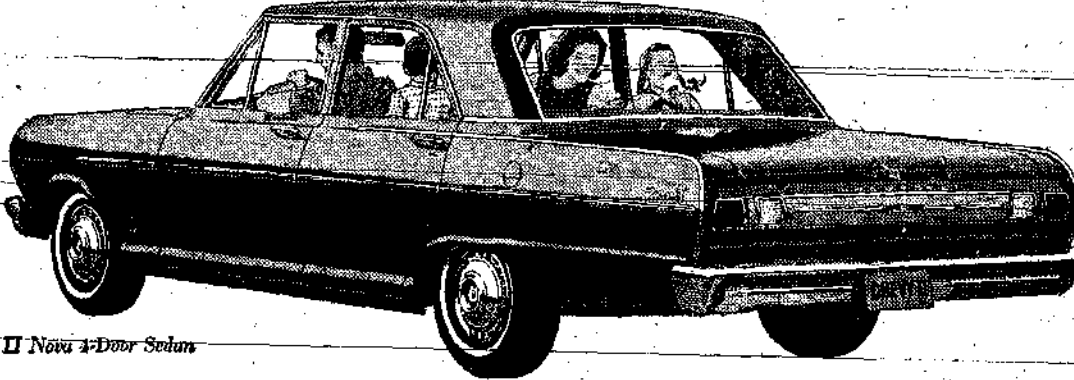

It's longer, lower, wider—with comforts that'll have many an expensive car-wondering why it didn't think of them first. More shoulder-room, more leg room up front. Curved side windows, an instrument panel that's a conversation piece. In fact, just about everything's new right down to the road. And even that'll seem newer because the Jet-smooth ride is smoother than ever.

'65 Chevrolet Malibu Super Sport Coupe

**Chevelle
Malibu '65**

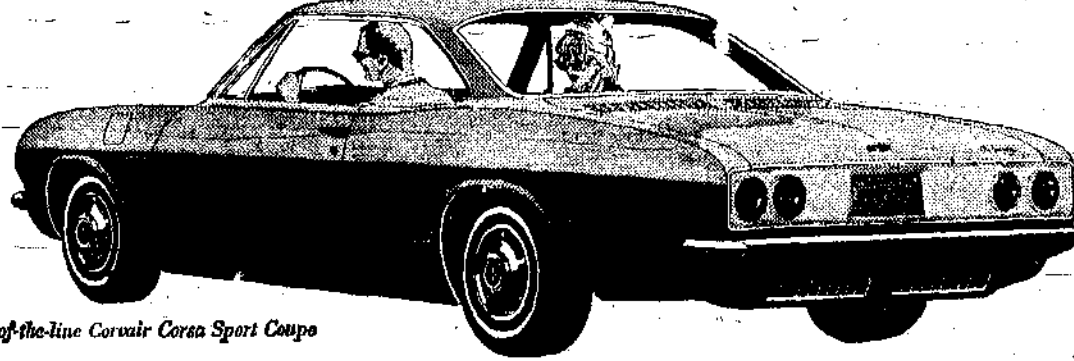

Here's all that made Chevelle America's most popular new-sized car—plus some new surprises. Like those cleaner, bolder lines. Like the silky way its new ride skims over the choppiest roads. Like V8 power that'll make you think we stole some of Corvette's stuff—which we did. All told, five engines are available from a quieter six to a V8 that comes on 300 horses strong.

'65 Chevy II Nova 4-Door Sedan

**Chevy II
Nova '65**

It may be the expensive-est looking thrift car you've laid eyes on. But thrifty it is. The big difference being that Chevy II's marvelous mechanical efficiency now wears a debonair new look. And offers a new range of engines, including a new 300-hp V8. You could get the idea that saving you money was the last thing we had in mind—if it weren't for that price sticker on the window.

New top-of-the-line Corvair Corsa Sport Coupe

**Corvair
Corsa '65**

How's this for sport with an international flair! The longer, wider design gives all closed models a hardtop roof, along with more shoulder and entrance room. And to go with the racier look, there's up to 180 hp available in the new Corsa series, up to 140 hp in the Monza and 500 series. Also a flatter riding independent suspension, more responsive steering and a wider road stance.

School Board Minutes.

August 31, 1964

A special meeting of the school board of Grayling School District No. One was held August 31st at the new elementary school. Present were Bishop, Henig, Thompson, Smock, Joseph, Millikin and Strong, trustees, Superintendent Stripe, Richard Wiggins and Bob Peterson of the Davenport Co., and Mrs. Vernon Gardiner.

The meeting was held at 6:30 p. m. and a tour of the building inside and out was made. President Joseph called the business meeting to order at 8:00 p. m. Mrs. Gardiner appeared concerning the hot lunch for the high school students, recommending they be fed in the gym as before and also that a juke box be acquired for their use during the lunch hour. As this would necessitate transporting food from the new school the architects were requested to get costs on steam carts.

Wiggins announced some minor items would be unfinished in time for school opening; the cooks were to receive instruction in the use of the new kitchen equipment; maintenance men were to receive manuals on operation and maintenance at the school.

A dedication date was discussed, a tentative date being set for October 11.

Copy to appear on the plaque for the new school was decided upon. Equipment for the new school had all arrived except for the administrative area.

Work on the old school is not entirely completed. Contractors are to work after school hours and on weekends if not finished by the opening day of school.

Supt. Stripe presented the audit. His recommendations for tenure were accepted with minor changes. Moved by Strong, supported by Smock that the recommended salary schedule be adopted. Motion carried.

The A. B. report and treasurer's bond were signed.

Moved by Smock, supported by Thompson that the bid of Ralph Pichan of Gaylord for \$1525.00 for fencing be accepted. Motion carried.

School crossing signs were discussed. It was pointed out they must comply with new specifications made by the Michigan State Highway Department.

The Supt. was authorized to purchase greasing equipment from Automotive Supply for \$419.00.

Moved by Thompson, supported by Henig that a 2-inch copper water supply be installed in old school. Approximate cost \$850.00.

The trustees were advised that Bruce Nielson had been hired as a custodian and Bob Stephan as a driver mechanic; DuBois Lumber received the paint bid for the old school with the lowest price for quality.

Millikin asked if Beaver Creek No. 4 bus driver would be kept on at his same rate of pay as per his contract with Beaver Creek should the district annex to Grayling. He was advised that this would be assured for the one year only.

Meeting adjourned 10:00 p. m.

Eva Strong, Recording Sec.

of Luzerne, her cousin Ben Durfee, Jr., of Detroit and his friend, Dan Nolan of Mio, were visitors at the Win. Fowler home in South Branch Sunday.

Mr. Mason on the South Branch had a big dinner party Sunday evening for around thirty-five guests.

A sewer is being laid by the City from the disposal plant and along Plum street, to Michigan Avenue, to replace one that was no longer serviceable.

Many of those who have taken northern Michigan vacation trips this summer and crossed the Straits of Mackinac on the City of Potosky have met Wilbert Swanson, who is a fireman on this boat. "Swede" takes a lot of pleasure in showing his Grayling friends the quarters they occupy as well as those of other employees on the boat, also the cooking and eating quarters. Besides Wilbert, there is another employee on the boat who is known to Grayling people and that is George Thomson, who at one time made his home in Grayling and worked at the Kery and Hanson Co. mill. He is first assistant engineer.

46 YEARS AGO - SEPTEMBER 26, 1918

Charles Gierke left Saturday for Detroit to make arrangements to enter some branch of the military service.

Miss Gladys Wheeler returned to Detroit Saturday after a vacation spent visiting her aunt, Miss Jennie Ingley at Rustle Inn, Lake Margrethe.

Holger F. Peterson is the new secretary of the Grayling Board of Trade, taking the place of Emil Giegling who is now serving the colors.

Arthur Karpus left last week for Ann Arbor to enter the military training department of the U. of M. He was accompanied by his sister Isabel, who went to Detroit to accept a government position.

Mrs. Howard Parks, formerly Miss Elizabeth Karpus of this city, passed the civil service examination in Detroit and has taken a position as mail carrier in that city.

Grant Shellenbarger left Tuesday for Sunrise, Wyoming, for a visit and he says that he possibly may remain there indefinitely.

Miss Isabelle Case has resigned her position as private secretary to Rasmus Hanson and expects to make her home with her mother, who is in feeble health. Miss Case has been in Grayling for about twelve years.

Rev. Aaron Mitchell who has been the pastor of the local Methodist church for the past four years, has been transferred to the Epworth church of Saginaw. He will begin service in his new field of labor the first Sunday in October. Rev. Mitchell will be succeeded in Grayling by Rev. C. E. Doty of the Warren Avenue church of Saginaw.

Mrs. Ed McCracken, who has been the efficient Frederic Red Cross chairman, contemplates moving to Grayling. Mrs. Leeman has been appointed as her successor.

The M. C. R. R. telegraph operator at Frederic, Mr. Cole, has moved from that place.

Harry Higgins will soon assume his old duties at the Frederic depot. Elmer Barber intends to go to Detroit.

Mrs. George Annis of Beaver Creek turned over to Marius Hanson, treasurer of the County Red Cross, Saturday, the sum of \$71.85.

\$50 of this was from the sale of a bedspread and the balance taken in at the social held at the Beaver Creek town hall recently.

BITS O' TALK

Leo Lovely, Carl Freund, Mrs. Matilda Bishop and Mrs. Minnie Hartley attended the Republican Convention in Detroit Friday and Saturday.

Toni Wright, Gary DuBois, Gary Russell, Jack Welch, Nancy Nelson and Mike Roberts have all returned to Central Michigan, Mt. Pleasant, to resume their schooling.

The Fred Lamms are spending three weeks in Florida.

Mike Lovely, son of the Leo Lovelys, has transferred from Northwestern to Ferris State College at Big Rapids this year. Steve Dawson is a freshman at Ferris too, as well as Jacquelyn Christian. Sylvia Douglas is returning to Gaylord St. Mary's High school this year as a sophomore. David Cinciala, Mary Lee Marshall, Mary Kay Duley and Jeanne Sheehy are freshmen there this year.

Toni Madsen is a freshman at Northwestern Michigan College. Her parents, the Whitey Madsens and Dane, drove her to Traverse City Sunday.

Mrs. George Wiggins of Saginaw spent a week with her mother, Mrs. Emma Knibbs, her husband picking her up weekend before last. Mrs. Knibbs and the Wiggins have purchased some property near Lake Margrethe.

Bill Heath, who completed his required military service in June, has enrolled at Delta College, Bay City, as a freshman. Carmen Duncan is also a student there.

James Robert is the son born Sept. 11 to Mr. and Mrs. Jim Kitchen of Garden City. He weighed 8 lbs. 4 oz. His grandmother, Mrs. K. K. Kitchen, has been visiting her son and family for several weeks.

Sharon Williams is a new employee at Northland Department Store.

Dave Wyman left Friday for Houghton to resume his studies at the College of Science and Technology. His sister Janet, who completed two years at Northwestern Michigan College last year, is employed with the Department of Administration, State of Michigan, in Lansing.

Mike and Jim Young are attending Northwestern Michigan College, Traverse City this year. Mike as a junior and Jim a freshman. Miss Nancy Cornell also resumed her studies there on Monday.

Dr. and Mrs. L. J. Green made the circle around Lake Superior during the recent cool spell.

Mrs. George Griffith had as her guests for a week Miss Ann Rastetter and sister Mrs. Hilda Bowersox of Fort Wayne, Ind., and Mrs. William Reganauer of New York City, while Mr. Griffith attended the Trout Unlimited meetings in Aspen, Colorado. The ladies returned to their homes Thursday. Mr. and Mrs. Ebb Warren of Gaylord were guests Thursday afternoon.

Mr. and Mrs. Don Jansen attended the Northern Michigan Plumbers Contractors' Association dinner at Vin's in Gaylord September 10th.

Tech Sergeant and Mrs. Larkin Baker arrived Thursday afternoon enroute from Virginia to his new assignment at San Antonio, Texas. They visited her parents, Mr. and Mrs. Joseph Cinciala, for four days before going south. They brought Mrs. Baker's sister and family, Mr. and Mrs. Don Segasser and baby Sarah Ann from Saginaw to make it a family reunion while they were here.

Mrs. Joe Hull returned home Tuesday of last week from a visit with her father, James Crawford, in Jackson. On Monday Mrs. Hull joined her husband, and Mr. and Mrs. Jerry McEvers and Mr. and Mrs. Norman Lavrack in attending the Buick show in Toledo. The Hulls stopped by in Lansing on their return to visit their son Bob and family. Bob has a full-time position with the John Bean Company, importers and exporters.

Mr. and Mrs. Jerry McEvers were in Saginaw Thursday on business.

Mrs. Sena Wium visited her daughter and family, the Erling Klugs in Pinconning, last week.

Guests of the William Larushes last week on Tuesday and Wednesday were her brother, Mr. and Mrs. Walter Pennell of Detroit, and their son and wife, the Fred Balows of Hamtramck.

The Bradford Lake Study Group met Sept. 15 with hostess Mrs. Marius Rogalle. All five members were present and two guests, Miss Anne Gabriel of Grand Rapids and Mrs. Ronald Fiser, our new neighbor.

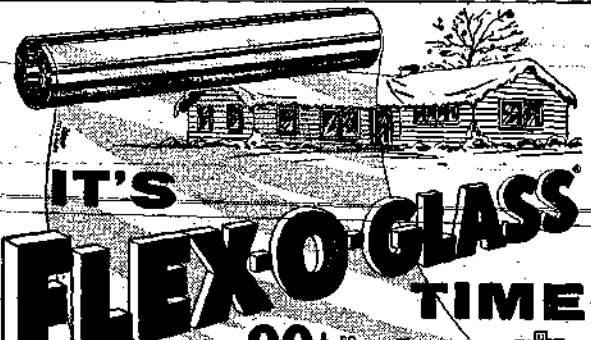

The meeting was opened by Mrs. Kenneth Reed reading the creed and she also gave the lesson, "Food and People". This was held over from last season and is part one of three which we shall receive. Mrs. Rogalle read a report on the recent Blood Bank Drive. She also gave us typed copies of the "Family Guide and Emergency Health Care" which we studied along with the Maple Forest Group. We all attended the recent Kick-off meeting in the Legion Hall on Sept. 10th.

Lunch was served at the close of the meeting. Next meeting will be Oct. 7th at Mrs. Kenneth Reed's. D. Worthey (rept.)

Tim Neal left Sunday for Traverse City to resume his studies at Northwestern Michigan College.

Mrs. Paul Juntilla, Mrs. Jim Thompson and Mrs. Marty Kitchen were in Traverse City Thursday for the day.

and cleanliness.
I'M INSTALLING IT
IN MY NEW HOME"

"I have been really impressed and pleased with all the advantages of Electric Heating—especially its flexibility. Not only can you select the type of heating system best suited to your home building needs, but individual room thermostats let you dial the temperature you want for each room. Another important feature of Electric Heating I like, is the clean, draft-free, comfortable warmth that helps safeguard health. I've already experienced the completely carefree, worry-free operation of Electric Heating at Mona Shores Apartments, and when I consider all the savings in upkeep and depreciation, I find it far less expensive than I thought. My new home, now under construction, will be a Total Electric home because I want my family to have all the comfort and conveniences of modern electrical living."

Large Amount For Local Home Improvements

NEW YORK — The amount of money spent by home owners in Crawford County each year for maintenance and improvements to their homes runs into big figures. It is an important item in the local economy.

Last year, an estimated \$329,000 went for such purposes, based on Government reports showing average outlays per housing unit in the local region.

The expenditures per unit averaged \$229 in the area. Some went

much higher than this and some much lower. It is pointed out that less than half the homeowners go in for sizeable improvements in any given year.

The major outlay, it is found, is for additions, alterations and replacements, which account for 41 percent of the total. Painting takes second place with 17 percent. Next in line are plumbing, 8 percent, roofing, 6 percent, and central heating and air conditioning, 5 percent.

The remaining 23 percent goes for miscellaneous upkeep, repairs and the like.

The reports are from the Dept. of Commerce, the Housing and Home Finance Agency and other sources. They are particularly timely just now because of the approach of National Home Week, Sept. 20th to 27th.

The \$329,000 spent in the year for improvements and upkeep on Crawford County homes went for the most part, to local merchants and mechanics.

Among those who shared in it were lumber dealers, stores selling paint, wallpaper and hardware, electrical contractors, appliance dealers, garden suppliers and carpenters.

The figures bring out the fact that more money is spent for maintenance and improvement in the case of homes that are owner-occupied than in the case of multiple-dwelling or renter-occupied homes.

This is apparent in Crawford County, where home ownership is at a high level. According to the most recent housing census, some 81.7 percent of all local dwellings are owner-occupied compared with 61.9 percent in the United States and 74.4 percent in the State of Michigan.

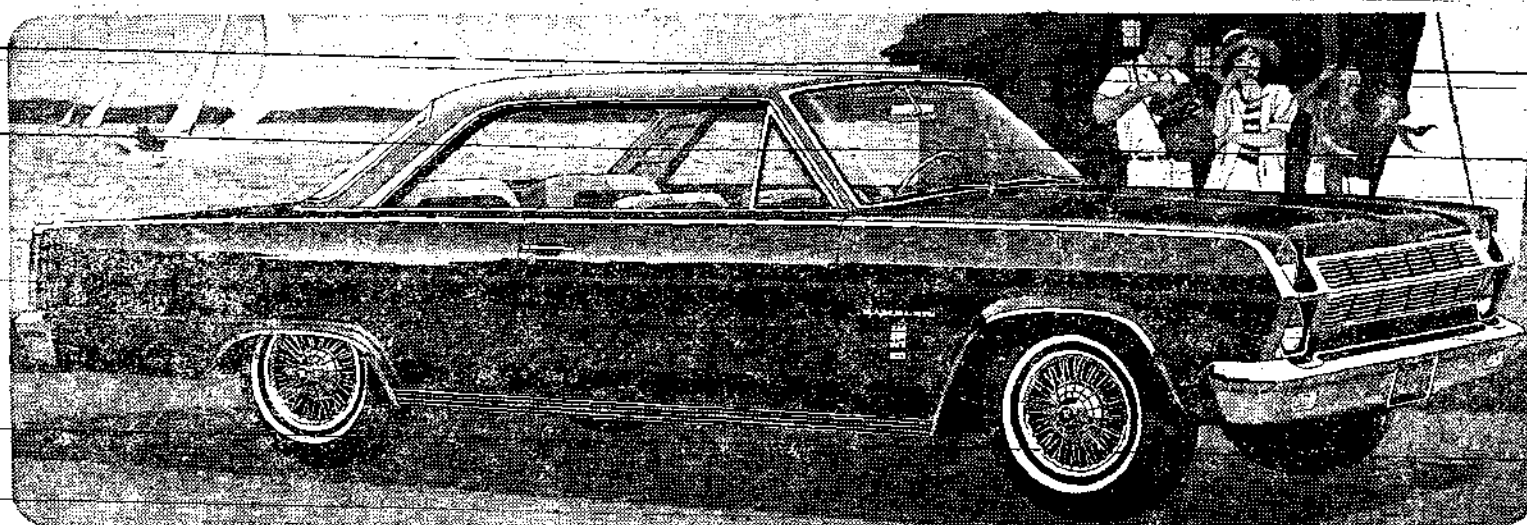

The Government's report on residential alterations and repairs shows that over \$13.8 billion was spent in that direction last year in the United States, up from \$13.5 billion in 1962.

The Total Electric home is the newest concept of comfort. It includes planned lighting, modern electric heating, full housepower and major electric appliances.

To the Board of Education
Grayling Public Schools, Crawford County
Grayling, Michigan

I have examined with respect to the Grayling Public Schools, Crawford County, the Balance Sheets and the Related Statements of Revenues and Expenditures of the

GENERAL FUND
DEBT RETIREMENT FUND
BUILDING AND SITE FUND

for the fiscal year ended June 30, 1964. My examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances. The scope of my examination was not extended to the child accounting records.

In my opinion, the accompanying balance sheets and related statements of Revenues and Expenditures with respect to the Grayling Public Schools, Crawford County, present fairly the financial position of the above named funds at June 30, 1964 and the results of the fund operations for the year then ended in conformity with the principles of accounting as prescribed by the Superintendent of Public Instruction, as applied on a basis consistent with that of the preceding years.

State Officials Plan To Use Full Federal Aid For Poverty

By Elmer E. White
HELP THE POOR

Michigan officials hope to take full advantage of Federal funds available under the new anti-poverty program.

Gov. George Romney established a 30-member human resources council soon after the war on poverty legislation was signed by President Johnson.

Coordinating Federally-funded programs will be just part of this unit's job. The council was composed of administrators from several state agencies concerned with human resources plus private citizens.

One state agency voiced its interest in anti-poverty activity even before council members were appointed.

Highway department officials said they could use 400 men in a work-training program on some 200 miles of freeways in Northern Michigan.

The proposal called for a sharp increase in the enrollment of the Department's student highway technician training program with funds largely from Federal coffers.

Some 40 students have been enrolled in the training program since it was initiated in 1957. They work half the year for the department and attend school the remainder.

Highway officials said up to 400 young men could be given training in forestry work which could lead to careers in the field, while the state would save money and accelerate efforts to beautify the freeways.

Expansion of the training program under the Federal anti-poverty law could help fill the continuing need for men with backgrounds in soil conservation, erosion control, forestry management and related fields, they said.

Department spokesmen said this need exists in local road agencies as well as in the state governmental unit.

I-75 Construction Over Half Mark

LANSING — Construction of I-75 between Sault Ste. Marie and Tampa, Fla., has passed the halfway mark, the State Highway Department reported today.

Reports from the six states through which the 1,523-mile highway extends show that 857 miles — over half of the distance — is open to traffic.

Michigan leads all states with 286 miles of I-75 now open to traffic.

Georgia is next with 164 miles, Florida has 144 miles, Ohio, 142; Kentucky, 86, and Tennessee, 35 miles.

Longest unbroken stretch of I-75 now carrying traffic is from Wildwood, Fla., north to Perry, Georgia, a distance of 282 miles.

Next longest stretch is at the northern extremity of the route in Michigan where I-75 extends from Sault Ste. Marie south to about

seven miles south of Grayling, a distance of 150 miles. It picks up again at Bay City and with the exception of the Detroit area, is completed southwest to the Detroit line.

The entire route, according to reports from the six states, will be completed by 1972. The entire route of I-75 in Michigan, from the Michigan-Ohio line at Toledo to Sault Ste. Marie, a distance of 393 miles, is expected to be completed by early 1969.

Some of the computing problems of shoppers also are cut down under the new law, which took effect August 28.

A 20-ounce loaf of bread, for example, must be declared as one pound, four ounces, or 1 1/4 pounds.

Agriculture department spokesmen emphasized that many packagers of non-food items which did not come under the old law already labeled their goods by quantity, but there were some who didn't.

The old theory was that the size of the container spoke for itself. Among manufacturers who did not label for quantity, no law violation occurred for a semi-filled container because the law did not require this declaration.

McIntyre said the new law would work to the advantage of both the consumer and the upstanding members of industry "because the chisler must now meet requirements that the honest member has complied with on a voluntary basis for years."

McIntyre said the new law gives the buyer an advantage he never

had before through several features.

In the past, the law required a statement of quantity in a package of food but not on such non-food items as paint, anti-freeze, varnish and oil.

Under the new law the quantity must be declared on all packaged items sold by weight, measure or numerical count. Thus, if a non-food item is sold in a container that looks like a quart, it must state the exact quantity inside.

Terms that tend to exaggerate content quantity such as jumbo, king-sized, giant or full are illegal under the new law, which took effect August 28.

Buick

We changed the Buick a lot this year. And you may never be the same again yourself.

We doubt you'll want to be the same. Not once you set eyes on our new Buicks. On the Buick Special and the Skylark. The LeSabre, Electra 225, Riviera. And on the sleek, modified fastback of the wild, wilder, Wildcat in the picture. True, there's a new high-style touch. But that's hardly all. Engineering still has the emphasis. It's a Buick tradition. So are the extras Buick spends a little extra on. Like finned brake drums that do a little better. And smoother drivelines. A tuned suspension to smooth ribcage roads. Now add Buick's Super Turbine transmissions—and you have an idea of what Buick owners have always liked about Buick. We think you'll feel the same.

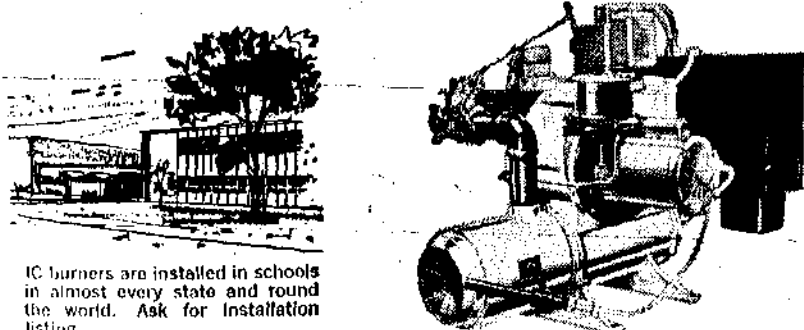

Wouldn't you really rather have a Buick

Serve with Easy Flair

Blend a half an envelope of leek soup mix with an 8-ounce carton of dairy sour cream and a dash of pepper. It's good with potato chips.

Spicy cheese dip mixed with oil and vinegar will give a piquant note when tossed with broken, bite-size greens in a big bowl for a buffet salad.

Blend 8 ounces of cream cheese with 5 tablespoons of heavy cream, whipped with 1/4 cup powdered sugar and a dash of vanilla and nutmeg. Spoon over wedges of lemon flavored angel food cake.

Spoon custard into pastry tart shells, top with a half of a canned peach and glaze the fruit with melted currant jelly for a scrumptious dessert.

Add some mandarin orange sections to cole slaw and top with jellied cranberry sauce. It's pretty!

Make small pancakes, stack them high and serve with warm honey (1 cup) blended with 1 stick of butter. Use 1 to 2 tablespoons of thin batter for each cake.

Helen's Favorite:
Cheese Bowl
(Serves 6-8)
1/4 cup crumbled blue cheese
1 cup drained cottage cheese
1 cup grated American cheese
1/4 cup light cream
Dash of cayenne
Mash blue cheese, add cottage cheese and American cheese. Mix with cream. Add cayenne. Serve with crisp fruit and crackers for dessert.

BITS O' TALK

Mr. and Mrs. Bill Kinkert drove to Traverse City Sunday where Mrs. Kinkert entered Munson Hospital for surgery.

Bill LaGrow, Joe Cinciala, Jack Wade and Melvin Marshall enjoyed some fishing at Cedarville Saturday through Tuesday.

David Lowe has completed his required military service and arrived back in the States from Japan just before Labor Day. He and Mrs. Lowe visited his parents before going back to Royal Oak where he was interviewing for a teaching position.

John Peterson arrived Friday from Rochester and spent until Monday in the area and visiting his mother, Mrs. Bertha Peterson. On Saturday he attended meetings in Traverse City.

Mrs. Vernon Blaha and son George, Mrs. Francis Lemmer and Mrs. Jack Alef went to Detroit Tuesday of last week, George continuing on to Notre Dame University to resume his studies. The ladies stayed on in Detroit on business. Mrs. Blaha and Mrs. Lemmer returning Thursday, and Mrs. Alef then visiting Mrs. James Fowler until Saturday.

Miss Cheryl Smock visited her travelmates Linda Harness and Carol Hyde in Birmingham over the weekend. She joined her parents, the Don Smocks, at Fenton on Sunday, where they had gone to attend the first birthday of their granddaughter Kimberly Mires, and visited their daughter and husband, Mr. and Mrs. Charles Mires. Accompanying them were Mrs. Smock's mother, Mrs. Seth Chappel and Dale Chappel.

Mr. and Mrs. Norval Stephan entertained with a family dinner party on Tuesday honoring their son John, who is planning to drive to Alaska soon. Guests were, besides John, the Bernard Fowlers and children, Mrs. John Knecht, and Mr. and Mrs. Dan Babbitt. Mr. Babbitt is planning to accompany John on the drive up the Alcan Highway and then fly home.

The Bear Archery golf league enjoyed a dinner party Saturday at the Traverse City Country Club, after 27 holes of golf. Don and Betty Stough were winners in 18 holes and Don and Marian Sherwin runners-up.

Mrs. Mattie Lowe, Miss Doris Lowe and Miss Rhea Dunham enjoyed a Sunday drive to Standish.

The Carl E. Johnsons were in LeRoy on Tuesday to be cohorts with Mrs. Hulda Engstrom at a dinner party celebrating the birthday of Mr. and Mrs. Charles Denelson and Mr. Holger Johnson of LeRoy. Mr. and Mrs. Johnson had been to Norway, Michigan recently where they attended a Johnson family reunion.

Mr. and Mrs. Charles Myers, Mr. and Mrs. William Walter and daughters Mr. and Mrs. James Van Soosac, Terry and Bettie of Pontiac were up over the weekend to visit their father, Edward V. Myers who was a patient at Mercy Hospital, and their mother on east M-72. Mr. and Mrs. Ward Payne of Pontiac are visiting Mr. and Mrs. Myers and sightseeing places of interest but have found it just a little too early of pictures of fall colors they had hoped for.

Mrs. Wilfred Langlois visited her mother, Mrs. H. C. Schmidt for a few days recently, and took her daughter Marilyn home. Marilyn was employed at Day's Drive-In during July and August.

Ray Warner of Detroit has completed a comfortable cottage at K. P. Lake. His family has been enjoying the fishing and fresh air for a couple of months. They have returned home but expect to be summer residents in the future.

Miss Valerie Chappel has entered college in Detroit. She is the daughter of Mr. and Mrs. Robert Chappel, granddaughter of Mrs. Ruby Reetz of Grayling, and Mr. and Mrs. Herman Sorenson of Detroit. Mr. and Mrs. Sorenson will celebrate their 43rd wedding anniversary on September 24th.

Services Held Saturday For Mrs. Ann Dobbyn

Mrs. Ann Dobbyn, 68, passed away Wednesday, September 16, 1964 at Harper Hospital in Detroit after a long illness. Funeral services were held Saturday at one o'clock at the Sorenson Funeral Home, with the Rev. John W. Smith officiating. Burial was in Oakwood Mausoleum at Saginaw.

Mrs. Dobbyn was born August 8, 1896, to Mr. and Mrs. Frank G. Walton, in Bay City. She came to Grayling when a young woman, to attend high school during the time her father was prosecuting attorney here. Following her graduation she entered Harper Hospital to take training as a nurse. She returned to Grayling after her graduation from Harper in 1921 and was for a few years the school nurse. She left that position and went into public health in Detroit for several years, and later served as nurse at the Michigan Rehabilitation School at Pine Lake near Kalamazoo for fifteen years. She was married to the late Kenneth Dobbyn of Detroit, who preceded her in death some twenty years ago.

Upon her retirement from the school at Pine Lake six years ago, Mrs. Dobbyn came to Grayling

Crawford County Avalanche Thursday, September 24, 1964

again to make her home, having a house built on Michigan Avenue. She was a member of the American Nurses Association and the Michigan Nursing Association. Surviving are her sister, Mrs. Nora Keyport, and niece, Mrs. Jane Hayes, both of Grayling.

PRESENTING Cadillac FOR 1965

SO NEW! SO RIGHT! SO OBVIOUSLY CADILLAC!

The 1965 Cadillac is the most dramatically new Cadillac in sixteen years; new from chassis to rooftop and new from start to stop. Its remarkable styling—elegant, majestic and impressive as never before—establishes it instantly as an all-time Cadillac great. And not only is it an inspiration to look at—it is a revelation to drive! The marvelous responsiveness of Turbo Hydra-Matic is now standard on all eleven models. A new concept of frame and suspension gives the car incredible steadiness and levelness of ride—even under the severest conditions of cornering and handling. And there is quiet—quiet beyond anything you imagined possible in a motor car! Cadillac's new and more spacious interiors are marvelously rich and luxurious—and include such personal options as an exclusive tilt and telescope steering wheel. Cadillac owner or Cadillac admirer—you owe yourself a journey at the wheel without delay.

You will know at once that this is—in every way—the new Standard of the World!
